<b>Subject</b>	<b>CubelQ Announces FIS™ AML Compliance Manager™</b>

CubelQ Announces **FIS™ AML Compliance Manager™**.

**AML Compliance Manager™** from **FIS™** empowers your organization with an advanced toolset to facilitate your AML program with faster, automated decision-making. Using **artificial intelligence** and **robotic process automation**, this solution eliminates manually intensive tasks and significantly reduces false positives that contribute to escalating operational costs.

This modern, **cloud-based platform** provides easily tailored decision workflows, dynamic customer risk monitoring, **risk-based processing** and advanced suspicious activity detection. Its intuitive case manager provides a unified view of customers, alerts and cases across the customer life cycle. Data integration and transition to this software service are easier with open, **cloud-based architecture** and a client-centered implementation approach focused on speed to value.

**AML Compliance Manager™** is designed to meet the challenges inherent in legacy financial crimes solutions while adapting quickly to emerging and future regulatory needs. It is offered as a service (**Software as a Service – SaaS**), this solution is backed by **FIS™**, a leading global provider of outsourced services, and powered by **FICO™** technology, a leading global provider of financial services technology.
